Contested Election Case of Thomas E. Watson Vs. J.C.C. Black

1896

this publication from cambria press is released in conjunction with the 2015 annual meeting of the american political science association apsa2015 the book s main focus is on presidential leadership and draws inspiration from the scholarship of eminent political scientist thomas e cronin from evaluating the leadership successes and failures of president george w bush and president barack obama e g on education policy social security reform health care the surveillance of americans to franklin d roosevelt richard nixon and ronald reagan and their handling of coalitions this book also discusses presidents as war time leaders presidential leadership and authority public leadership us world leadership and the role of chief justices in addition the book touches on leadership in higher education and in the global corporate context given its coverage this book will be an important resource for many years to come the quest for leadership edited by distinguished political scientist michael a genovese brings together the thought provoking analyses and critical discussions of top scholars and practitioners this book is a must read not only for political scientists but also for anyone with an interest in leadership especially in us politics

The Quest for Leadership: Thomas E. Cronin and His Influence on Presidential Studies and Political Science

2015-09-04

finalist for the pulitzer prize one of the washington post book world s 10 best books of the year time s 10 best books of the year usa today s nonfiction book of the year a new york times notable book staggeringly vivid and persuasive absolutely essential reading michiko kakutani the new york times the best account yet of the entire war vanity fair the definitive account of the american military s tragic experience in iraq fiasco is a masterful reckoning with the planning and execution of the american military invasion and occupation of iraq through mid 2006 now with a postscript on recent developments ricks draws on the exclusive cooperation of an extraordinary number of american personnel including more than one hundred senior officers and access to more than 30 000 pages of official documents many of them never before made public tragically it is an undeniable account explosive shocking and authoritative of unsurpassed tactical success combined with unsurpassed strategic failure that indicts some of america s most powerful and honored civilian and military leaders

22nd Anniversary, Annual Thomas E. Wilson Day

2007

today as liberty and truth are increasingly challenged the figures of churchill and orwell loom large exemplars of britishness they preserved individual freedom and democracy for the world through their far sighted vision and inspired action and cast a long shadow across our culture and politics in churchill orwell the pulitzer prize winning author thomas e ricks masterfully argues that these extraordinary men are as important today as they ever were churchill and orwell stood in political opposition to each other but were both committed to the preservation of freedom however in the late 1930s they occupied a lonely position democracy was much discredited and authoritarian rulers fascist and communist were everywhere in the ascent unlike others they had the wisdom to see that the most salient issue was human liberty and that any government that denies its people basic rights is a totalitarian menace to be resisted churchill and orwell proved their age s necessary men and this book reveals how they rose from a precarious position to triumph over the enemies of freedom churchill may have played the larger role in hitler s defeat but orwell s reckoning with the threat of authoritarian rule in 1984 and animal farm defined the stakes of the cold war and continues to inspire to this day their lives are an eloquent testament to the power of moral conviction and to the courage it takes to stay true to it

Nominations of Thomas E. Harvey to be Assistant Secretary for

Congressional and Legislative Affairs, Department of Veterans Affairs, and Patrick W. Dunne to be Assistant Secretary for Policy and Planning, Department of Veterans Affairs

1980

nathaniel littleton was born in 1605 in shropshire england his parents were edward littleton and mary walter he married ann southey daughter of henry southey and widow of charles harmar in about 1640 they had three children edward southey and esther nathaniel died in 1654 in northampton county virginia descendants and relatives lived mainly in virginia and maryland

Dr. Thomas E. Stelson Nomination
