The Official Price Guide to Classic Video Games

2004

from console and arcade games to handheld video games this comprehensive sourcebook and price guide lists prices for the video games of the 1970s and 1980s and game systems of the 1990s as well as information on how to restore games to their original condition and make repairs

VINTROPEDIA - Vintage Computer and Retro Console Price Guide 2009

2008-07-09

covering a time span of 1968 to 1998 and encompassing a spectrum of over 14 000 items across the history of the computer console accessories and software markets the vintropedia 2009 price guide is the definitive resource to a collector s needs included within are prices in gbp machine specifications regions of origin release dates model names publishing companies old ads and more look no further than vintropedia a guide created by collectors for collectors

2007 Video Game Price Guide

2007-01

the 2007 video game price guide has been completely updated with the newest pricing information for home console systems it contains values for over 13 000 different games and pieces of hardware the book covers 48 video game systems which span from the original platforms produced in the 1970s to modern day systems games which are unreleased as of press time are listed as well whether you are a dedicated classic system collector or wanting to know how much the games that you have for your newest system are really worth to the video game store you ll find it here

Collecting Cartridges

2017-04-24

the atari vcs 2600 5200 7800 mattel intellivision coleco colecovision and milton bradley microvision collecting cartridges is much more than a book for many it s a passion likely the closest thing to a time machine to our childhoods and a period of time where video game consoles were a completely new concept it s technology that demands a fascination not just by those of us that lived it but by future generations who wish to enjoy part of this very unique period of time this guide is a work of love it came about through the lack of any other detailed price guide that was really reflective of what classic video games in similar conditions were selling for the information took years to compile but became a personal resource being referenced regularly there was no reason that if one person found it helpful many others might as well the layout of this guide is extremely simple to reference it explains through words and pictures how to categorize any particular game title by its condition the game titles are then broken down by console publisher and name each title generally has multiple conditions reflective of what the same game would be bought and

sold for most important is the fact that these prices are in no way arbitrary the prices are an average of each title s actual selling price formulas are used to fill in the value of each game under varying conditions great care has also been provided to reference the author s of each game these designers were the proverbial rock stars of the day part of the enjoyment of collecting is getting to know each programmer and their library of work this guide contains an appendix which provides a very thorough cross reference along with historical information on each console and adding a few fond memories this guide should be a part of any classic gamer s library don t pay too much or accept too little if you have anything to do with classic video game systems you need this guide this is the most accurate way of determining a game s value

Warman's Arts & Crafts Furniture Price Guide

2004-08-17

the arts and crafts movement is probably known for the furniture that came from it indeed many claim that the furniture from this period was the only truly great product of the era now enthusiasts of this popular furniture style can follow the rise of the design movement from its beginnings in mid 19th century england to the major american manufacturers of the 20th century warman s arts crafts furniture price guide covers the giants of the designers and manufacturers of the arts and crafts furniture john ruskin charles rennie mackintosh william morris the stickley brothers designer harvey ellis charles limbert elbert hubbard and the roycrofters charles rohlfs and more over 1 500 listings include detailed descriptions and pricing for each piece and more than 1 000 vibrant full color photos convey the functional beauty of the era s furniture

The Complete Car Cost Guide, 1998

1998-02

Miller's Antiques Handbook Price Guide remains the essential and trusted guide to the antiques market. It has earned the reputation of being the book no dealer, collector, or auctioneer should be without. Compiled by Judith Miller, world-renowned antiques expert and co-founder of the book, the guide features more than 8,000 antiques. Comprehensive sections cover ceramics, Asian antiques, furniture, glass, silver, and metalwares, jewellery, and objets de vertu, clocks, and watches, books, textiles, toys, decorative arts, and modern classics. Special features explain why one piece is worth more than another, show how to value an item, and teach you to be your own valuer. Biographies of designers and factories give the background information you need to help date and value objects, while special Judith Picks sections give fascinating background and valuation details for particularly interesting or unusual objects.

The Modern Organ Guide

2006-04

In 2006, in celebration of our 25th anniversary, we brought Schroeder's Antiques Price Guide to you for the first time in full color. It was so successful we decided to keep that format from year to year, and once again we are bringing it to you in full color. It still contains over 50,000 listings from reliable sources, more than 500 categories from advertising to Zsolnay, histories, and pertinent facts, and representative full-color photographs. This year's edition will start shipping in August 2008 and is guaranteed to maintain its #1 bestselling status both at collector books and across the country. Dealers throughout the U.S. rave annually about Schroeder's, saying it just keeps getting better and better. Undoubtedly, this year's edition will be the best you will be pleased it has kept its new look and even happier that it is available at one of the lowest prices you'll find for general antiques guides.
