in this exciting new history of dodge and ram trucks award winning automotive author patrick foster details the genesis of today s hot selling ram
pickups vans and four wheel drives beginning with the graham brothers who built the first trucks sold through dodge dealers foster traces the
path of dodge commercial vehicles through the terrific dodge trucks built during the roaring twenties and into the depression thirties foster then

takes us into the war years 1941 1945 when dodge manufactured a broad array of war materiel including the mighty wd and wf trucks which later morphed into the now legendary postwar dodge power wagons next foster dives into the decade of the fabulous 1950s a golden era for american pickups that brought us the equally fabulous dodge b and c series trucks entering the 1960s foster tells the story of the growing popularity of dodge trucks the story grows as the dodge line expands in size and in sales the dodge d series and four wheel drive w series are covered in a following chapter while another is dedicated to the dodge cabover trucks the book ends with an addendum dedicated to the delightful dodge cabovers the final chapter of dodge and ram pickups an illustrated history covers the turbulent years 2000 2020 when dodge went from being part of a bankrupt company to its present position today as the number 2 selling full size pickup in the world
