comics studies has reached a crossroads graphic novels have never received more attention and legitimation from scholars but new canons and new critical discourses have created tensions within a field built on the populist rhetoric of cultural studies as a result comics studies has begun to cleave into distinct camps based primarily in cultural or literary studies that attempt to dictate the boundaries of the discipline or else resist disciplinarity itself the consequence is a growing disconnect in the ways that comics scholars talk to each other or more frequently do not talk to each other or even acknowledge each other's work breaking the frames populism and prestige in comics studies surveys the current state of comics scholarship interrogating its dominant schools questioning their mutual estrangement and challenging their propensity to champion the comics they study Marc Singer advocates for greater disciplinary diversity and methodological rigor in comics studies making the case for a field that can embrace more critical and oppositional perspectives working through extended readings

of some of the most acclaimed comics creators including marjane satrapi alan moore kyle baker and chris ware singer demonstrates how comics studies can break out of the celebratory frameworks and restrictive canons that currently define the field to produce new scholarship that expands our understanding of comics and their critics

batman or superman which of these heroic figures is morally superior which is more dramatically effective which is more democratic which shows us the better way to fight crime who is a morally better person whose actions lead to the better outcomes superman vs batman and philosophy tries to decide for and against these two superheroes by comparing their contrasting approaches to a wide range of issues twenty six philosophers evaluate superman vs batman in order to decide which of them wins by various different criteria some of the writers say that superman wins others say batman and others give the result as a tie since both batman the megalomaniacal industrialist and superman the darling of the media sometimes operate outside the law which of them makes the better vigilante and how do they compare with robin hood the anonymous donor the ninja and the kkk which of them comes out better in terms of evolutionary biology which of the heroes works more effectively to resist oppression does superman or batman function better as a force for embodied intelligence who does more to really uphold the law which one is better for the environment which of these two supernormal guys makes a better model and inspiring myth to define our culture and our society is batman or superman the more admirable person who conforms more closely to nietzsche s Übermensch which one makes the more rational choices who makes the better god who is more self sacrificing in pursuit of other people s welfare who goes beyond the call of duty which one does better at defining himself by resolving his internal conflicts whose explicit code of morality is superior which superhero gives us more satisfying dramatic conflict and why does a battle between the two make such a compelling drama which of our two candidates comes closer to christ which has the sounder psychological health whose overall consequences are better for the world which one more perfectly exemplifies c s lewis s concept of chivalry what s the deeper reason batman is so successful in videogames whereas superman isn t what are the advantages and disadvantages of having the two

extraordinary heroes work together is either superhero logically or metaphysically possible how can each of them be diagnosed as psychotic how do they compare in masking their real identity whose motives are more worthy which one is more self aware superman vs batman and philosophy comes out at the same time as the movie batman v superman the book cannot discuss what goes on in the movie yet it also can't avoid doing so since by sheer probability many of the controversial issues between the two superheroes will be the same in both the book will therefore naturally fit in with the numerous raging controversies that the movie unleashes

named a best book of the week by the new york post also available as an audiobook a from the trenches view of new york daily news and new york post runners and photographers as they stop at nothing to break the story and squash their tabloid arch rivals when author mike jaccarino was offered a job at the daily news in 2006 he was asked a single question kid what are you going to do to help us beat the post that was the year things went sideways at the news when the new york post surpassed its nemesis in circulation for the first time in the history of both papers tasked with one job crush the post jaccarino here provides the behind the scenes story of how the runners and shooters on both sides would do anything and everything to get the scoop before their opponents the new york daily news and the new york post have long been the hatfields and mccoys of american media two warring tabloids in a town big enough for only one of them as digital news rendered print journalism obsolete the fight to survive in nyc became an epic darwinian battle in america s last great newspaper war jaccarino exposes the untold story of this tabloid death match of such ferocity and obsession its like has not occurred since pulitzer hearst told through the eyes of hungry runners field reporters and shooters photographers who would employ phony police lights to overcome traffic mike jaccarino s memoir unmasks the do whatever it takes era of reporting where the ends justified the means and nothing

was off limits his no holds barred account describes sneaking into hospitals months long stakeouts infiltrating john gotti s crypt bidding wars for scoops high speed car chases with hillary clinton o j simpson and the baby mama of a philandering congressman all to get that coveted front page story today few runners and shooters remain on the street their age and exploits are as bygone as the news post war and american newspapers generally where armies once battled often no one is covering the story at all funding for this book was provided by furthermore a program of the j m kaplan fund
