Research in Education 1971

the king of cool it seems impossible at one time the corvette was the car that almost nobody wanted when it first surfaced for the 1953 model year the cars were rough riding underpowered and lacking in the fit and finish that buyers of refined roadsters would normally expect through six generations and major makeovers chevy s european inspired rocket has

outperformed and outlasted the competition there is no other car that enjoys such a rabid fan following and no car is more instantly recognizable regardless of the year in corvette the great american sports car accomplished automotive author john gunnell provides a year by year examination of the corvette s evolution with more than 225 photos and fact filled biographies of every production corvette ever built corvette the great american sports car is a handy colorful authoritative reference sure to appeal to any corvette lover
