The Vietnam War

2016-12-15

the vietnam war chronicles the first war to be televised the comprehensive description of battles social and political issues and revelations are all the more powerful because of first hand accounts telling photographs and other primary sources students will learn the causes outcomes and repercussions of this polemic conflict through a historical lens and from the perspectives of soldiers civilians and others caught up in the vietnam war

The Vietnam War

2017-09-05

the complete text of the bestselling narrative history of the vietnam war based on the celebrated pbs television series by ken burns and lynn novick more than forty years have passed since the end of the vietnam war but its memory continues to loom large in the national psyche in this intimate history geoffrey c ward and ken burns have crafted a fresh and insightful account of the long and brutal conflict that reunited vietnam while dividing the united states as nothing else had since the civil war from the gulf of tonkin and the tet offensive to hamburger hill and the fall of saigon ward and burns trace the conflict that dogged three american presidents and their advisers but most of the voices that echo from these pages belong to less exalted men and women those who fought in the war as well as those who fought against it both victims and victors willing for the first time to share their memories of vietnam as it really was a magisterial tour de force the vietnam war is an engrossing history of america s least understood conflict

What Was the Vietnam War?

2019-05-07

learn how the united states ended up fighting for twenty years in a remote country on the other side of the world the vietnam war was as much a part of the tumultuous sixties as flower power and the civil rights movement five us presidents were convinced that american troops could end a war in the small divided country of vietnam and stop communism from spreading in southeast asia but they were wrong and the result was the death of 58 000 american troops presenting all sides of a complicated and tragic chapter in recent history jim o connor explains why the us got involved what the human cost was and how defeat in vietnam left a lasting scar on america

New Perspectives on the Vietnam War

2009-12-16

the vietnam war was one of the most heavily documented conflicts of the twentieth century although the events themselves recede further into history every year the political and cultural changes the war brought about continue to resonate even as a new generation of americans grapples with its own divisive conflict america and the vietnam war re examining the culture and history of a generation reconsiders the social and cultural aspects of the conflict that helped to fundamentally change the nation with chapters written by subject area specialists america and the vietnam war takes on subjects such as women s role in the war the music and the films of the time the vietnamese perspective race and the war and veterans and post traumatic stress disorder features include chapter summaries timelines discussion questions guides to further reading a companion website with primary source documents and tools such as music and movie playlists for both instructors and students heavily illustrated and welcoming to students and scholars of this infamous and pivotal time america and the vietnam war is a perfect companion to any course on the vietnam war era

The Vietnam War

2017-03-22

the vietnam war endured for thirty years cost billions of dollars and resulted in thousands of vietnamese french and american deaths massive american military intervention in vietnam embroiled america in protests placed enormous strains on the western alliance and altered u s relations with the soviet union and china david l anderson s concise overview critiques u s errors in magnifying the strategic importance of south east asia in the cold war and in underestimating the strength of the vietnamese communist movement

The Encyclopedia of the Vietnam War [4 volumes]

2011-05-20

now in its second edition this comprehensive study of the vietnam war sheds more light on the longest and one of the most controversial conflicts in u s history the vietnam war lasted more than a decade was the longest war in u s history and cost the lives of nearly 60 000 american soldiers as well as millions of vietnamese many of whom were uninvolved civilians the lessons learned from this tragic conflict continue to have great relevance in today s world now in its second edition the encyclopedia of the vietnam war a political social and military history adds an entire additional volume of entries to the already exhaustive

first edition making it the most comprehensive reference available about one of the most controversial events in u s history written to provide multidimensional perspectives into the conflict it covers not only the american experience in vietnam but also the entire scope of vietnamese history including the french experience and the indochina war as well as the origins of the conflict how the united states became involved and the extensive aftermath of this prolonged war it also provides the most complete and accurate order of battle ever published based upon data compiled from vietnamese sources this latest release delivers even more of what readers have come to expect from the editorship of spencer c tucker and the military history experts at abc clio

A Short History of the Vietnam War

2015-02-26

on 8 march 1965 3 500 united states marines of the 9th marine expeditionary brigade made an amphibious landing at da nang on the south central coast of south vietnam marking the beginning of a conflict that would haunt american politics and society for many years even after the withdrawal of us forces in 1972 for the people of north vietnam it was just another in a long line of foreign invaders for two thousand years they had struggled for self determination coming into conflict during that time with the chinese the mongols the european colonial powers the japanese and the french now it was the turn of the united states a far away nation reluctant to go to war but determined to prevent vietnam from falling into communist hands a short history of the vietnam war explains how the united states became involved in its longest war a conflict that from the outset many claimed it could never win providing a timeline of the war it details the escalation of american involvement from the provision of military advisors and equipment to the threatened south vietnamese to an all out shooting war involving american soldiers airmen and sailors of whom around 58 000 would die and more than 300 000 would be wounded their struggle was against an indomitable enemy able to absorb huge losses in terms of life and infrastructure the politics of the war are examined and the decisions and ambitions of five us presidents are addressed in the light of what many have described as a defeat for american might the book also explores the relationship of the vietnam war to the cold war politics of the time

The Vietnam War

2016-01-19

the vietnam war is an outstanding collection of primary documents related to america s conflict in vietnam which includes a balance of original american and vietnamese perspectives providing a uniquely varied range of insights into both american and vietnamese experiences includes substantial non american content including many original english translations of vietnamese authored texts which showcase the diversity and complexity of vietnamese experiences during the war contains original american documents germane to the continuing debates about the causes consequences and morality of the us intervention

humanity learn the lessons of suffering and sacrifice from one of the bloodiest conflicts of the 20th century

America, the Vietnam War, and the World

2003-07-14

publisher s description this book presents new perspectives on the vietnam war its global repercussions and the role of this war in modern history the volume reveals america s war as an international event that reverberated all over the world in domestic settings of numerous nation states combatants and non combatants alike as well as in transnational relations and alliance systems the volume thereby covers a wide geographical range from berkeley and berlin to cambodia and canberra the essays address political military and diplomatic issues no less than cultural and intellectual consequences of vietnam the authors also set the vietnam war in comparison to other major conflicts in world history they cover over three centuries and develop general insights into the tragedies and trajectories of military conflicts as phenomena of modern societies in general for the first time america s war is thus depicted as a truly global event whose origins and characteristics deserve an interdisciplinary treatment

The Vietnam War

2007-09-30

the vietnam war was different from most previous u s wars of the twentieth century it was an undeclared and limited war the draft to supply the soldiers and serious problems in the selective service system meant that the burden of the war was carried disproportionately by minorities and working class whites many of whom did not want to serve while many americans saw service in vietnam as their patriotic duty others opposed the war this is the story of the men and women who served in that war whether overseas in active combat or in support roles in viet nam and stateside

Triumph Forsaken

2006-08-28

drawing on a wealth of new evidence from all sides triumph forsaken first published in 2007 overturns most of the historical orthodoxy on the vietnam war through the analysis of international perceptions and power it shows that south vietnam was a vital interest of the united states the book provides many insights into the overthrow of south vietnamese president ngo dinh diem in 1963 and demonstrates that the coup negated the south vietnamese government s

tremendous and hitherto unappreciated military and political gains between 1954 and 1963 after diem's assassination president lyndon johnson had at his disposal several aggressive policy options that could have enabled south vietnam to continue the war without a massive us troop infusion but he ruled out these options because of faulty assumptions and inadequate intelligence making such an infusion the only means of saving the country

The Tragedy of the Vietnam War

2014-07-15

what americans call the vietnam war actually began in december 1946 with a struggle between the communists and the french for possession of the country but vietnam's strategic position in southeast asia inevitably led to the involvement of other countries written by an officer in the republic of vietnam armed forces this poignant memoir seeks to clarify the nuances of south vietnam's defeat from the age of 12 van nguyen duong watched as the conflict affected his home family village and friends he discusses not only the day to day hardships of wartime but his postwar forced relocation and eventual imprisonment a special focus is on the anguish caused by the illusive reality of vietnamese independence the political forces at work north and south the hardships suffered by rvnaf soldiers after the 1975 u s withdrawal and the effects of reunification on the vietnamese people are discussed

The Vietnam War

2015-10-06

the vietnam war examines the conflict from its origins through to 1975 and north vietnam's victory this new revised edition is completely up to date with current academic debates and includes new source material mitchell hall explores all the key elements of the conflict including us motivations for entering the war and the military strategies employed the role of the media the rise of domestic opposition the war's impact in the us and vietnam mitchell hall provides numerous insights into the political decisions of the vietnamese communists and vietnam's relations with other major powers particularly china and the soviet union the main text is supported by a comprehensive documents section and a range of study tools including a chronology of events who's who a glossary of terms and a further reading section concise yet thorough the book provides students with an accessible and stimulating introduction to the war

The Vietnam War from the Other Side

2013-07-04

existing studies of the vietnam war have been written mostly from an american perspective using western sources and viewing the conflict through western eyes this book based on extensive original research including vietnamese chinese and former soviet sources presents a history of the war from the perspective of the vietnamese communists it charts relations with moscow and beijing showing how the involvement of the two major communist powers changed over time and how the vietnamese despite their huge dependence on the chinese and the soviets were most definitely in charge of their own decision making overall it provides an important corrective to the many one sided studies of the war and presents a very interesting new perspective

The War That Never Ends

2014-03-11

more than three decades after the final withdrawal of american troops from southeast asia the legacy of the vietnam war continues to influence political military and cultural discourse journalists politicians scholars pundits and others have used the conflict to analyze each of america s subsequent military engagements many americans have observed that vietnam era terms such as cut and run quagmire and hearts and minds are ubiquitous once again as comparisons between u s involvement in iraq and in vietnam seem increasingly appropriate because of its persistent significance the vietnam war era continues to inspire vibrant historical inquiry the eminent scholars featured in the war that never ends offer fresh and insightful perspectives on the continuing relevance of the vietnam war from the homefront to humping in the boonies and from the great halls of political authority to the gritty hotbeds of oppositional activism the contributors assert that the vietnam war is central to understanding the politics of the cold war the social movements of the late twentieth century the lasting effects of colonialism the current direction of american foreign policy and the ongoing economic development in southeast asia the seventeen essays break new ground on questions relating to gender religion ideology strategy and public opinion and the book gives equal emphasis to vietnamese and american perspectives on the grueling conflict the contributors examine such phenomena as the role of women in revolutionary organizations the peace movements inspired by buddhism and ho chi minh s successful adaptation of marxism to local cultures the war that never ends explores both the antiwar movement and the experiences of infantrymen on the front lines of battle as well as the media s controversial coverage of america s involvement in the war the war that never ends sheds new light on the evolving historical meanings of the vietnam war its enduring influence and its potential to influence future political and military decision making in times of peace as well as war

The Vietnam War

2022-01-20

in this fully illustrated introduction leading vietnam war historian dr andrew wiest provides a concise overview of america s most divisive war america

entered the vietnam war certain of its cold war doctrines and convinced of its moral mission to save the world from the advance of communism however the war was not at all what the united states expected dr andrew wiest examines how outnumbered and outgunned the north vietnamese and viet cong forces resorted to a guerrilla war based on the theories of mao zedong of china while the us responded with firepower and overwhelming force drawing on the latest research for this new edition wiest examines the brutal and prolonged resultant conflict and how its consequences would change america forever leaving the country battered and unsure as it sought to face the challenges of the final acts of the cold war as for vietnam the conflict would continue long after the us had exited its military adventure in southeast asia updated and revised with full colour maps and new images throughout this is an accessible introduction to the most important event of the american century

The Origins of the Vietnam War

2014-06-11

this study examines the origins of the vietnam war itself going back to the nature of french colonial rule in the early 20th century it investigates the original conflict between france as well as the united states and the forces of vietnamese nationalism and communism it argues that it was probably a mistake for the united states to internationalize the war in 1954 and it discusses the american commitment to the war directed as much against china as against north vietnam and the ideological hostility to communism

The Home Front in the Vietnam War

2004-12-15

describes public opinion and life in the united states during the vietnam war

The Vietnam War

2001-05-21

an examination of the vietnam war focusing on the participation of american troops in the conflict and includes primary source materials and photographs

What Caused the Vietnam War?

2016-07-15

the vietnam war remains one of the most controversial and galvanizing conflicts in modern history to better comprehend why so many nations became involved in the war this wide ranging volume delves into the many causes of the conflict from french colonialism to the spread of communism to the final sparks that ignited combat readers will also learn about key moments within the conflict and the lasting effects of the war s conclusion vivid photographs throughout the book give readers a sense of vietnam s geography a key role player in the eventual outcome

Antiwarriors

2002

the anti vietnam war movement marked the first time in american history that record numbers marched and protested to an antiwar tune on college campuses in neighborhoods and in washington although it did not create enough pressure on decision makers to end u s involvement in the war the movement s impact was monumental it served as a major constraint on the government s ability to escalate played a significant role in president lyndon b johnson s decision in 1968 not to seek another term and was a factor in the watergate affair that brought down president richard nixon at last the story of the entire antiwar movement from its advent to its dissolution is available in antiwarriors the vietnam war and the battle for america s hearts and minds author melvin small describes not only the origins and trajectory of the anti vietnam war movement in america but also focuses on the way it affected policy and public opinion and the way it in turn was affected by the government and the media and consequently events in southeast asia leading this crusade were outspoken cultural rebels including abbie hoffman and jerry rubin as passionate about the cause as the music that epitomizes the period but in addition to radical protestors whose actions fueled intense media coverage small reveals that the anti war movement included a diverse cast of ordinary citizens turned war dissenter housewives politicians suburbanites clergy members and the elderly the antiwar movement comes to life in this compelling new book that is sure to fascinate all those interested in the vietnam war and the turbulent tumultuous 1960s

The Vietnam War

2006-12-15

explores the origins of the conflict in vietnam and the events that led to the united states taking a leading role in it follows the major events of the war and

13/20

chapter 30 the vietnam war years

american reactions to it and examines the ending of the war and its consequences

The Vietnam War: A Concise International History

2010-08-27

hailed as a pithy and compelling account of an intensely relevant topic kirkus reviews this wide ranging volume offers a superb account of a key moment in modern u s and world history drawing upon the latest research in archives in china russia and vietnam mark lawrence creates an extraordinary panoramic view of all sides of the war his narrative begins well before american forces set foot in vietnam delving into french colonialism s contribution to the 1945 vietnamese revolution and revealing how the cold war concerns of the 1950s led the united states to back the french the heart of the book covers the american war ranging from the overthrow of ngo dinh diem and the impact of the tet offensive to nixon s expansion of the war into cambodia and laos and the final peace agreement of 1973 finally lawrence examines the aftermath of the war from the momentous liberalization doi moi in vietnam to the enduring legacy of this infamous war in american books films and political debate

Encyclopedia of the Vietnam War

1996

the volume is not limited to the american experience in vietnam but adds to our knowledge of the leading vietnamese participants and issues

Key Figures of the Vietnam War

2015-07-15

from 1965 to 1973 the united states sent troops to south vietnam to assist in its war against the communist regime of north vietnam in the end the north was victorious and vietnam was reunited under communist rule this resource provides an overview of vietnam s history a chronicle of the war itself and profiles of people who played instrumental roles in and leading up to this long and bitter conflict political and military leaders from north vietnam south vietnam and the united states as well as some notable figures from the american antiwar movement

The Vietnam War

1997

in this their latest illustrated war volume donald m goldstein katherine v dillon and j michael wenger show you the battles leaders weapons heroism and pain of the vietnam war from its earliest beginnings to the fall of saigon in 1975 through more than 450 official and personal photographs both u s and vietnamese they reveal the anguish the loneliness the courage and the fears of the three and a half million u s soldiers marines airmen and seamen who served in america s longest war here are marines battling house to house in hue river boats patrolling the mekong soldiers dodging sniper fire in elephant grass fighter bombers screaming over hanoi and haiphong the wall listing some 58 000 names

The Columbia Guide to the Vietnam War

2002

the vietnam war remains a major point of reference in discussions of u s foreign policy and national character the lessons and legacies of the most divisive event in u s history in the twentieth century are hotly debated to this day written by a renowned scholar of the conflict the columbia guide to the vietnam war provides students and researchers with the materials to think seriously about the conflict s many paradoxes and ramifications

Tet!

2001-03-31

finalist for the 1971 national book award in early 1968 communist forces in vietnam launched a surprise offensive that targeted nearly every city town and major military base throughout south vietnam for several hours the u s embassy in saigon itself came under siege by viet cong soldiers militarily the offensive was a failure as the north vietnamese army and its guerrilla allies in the south suffered devastating losses politically however it proved to be a crucial turning point in america s involvement in southeast asia and public opinion of the war in this classic work of military history and war reportage long considered the definitive history of tet and its aftermath don oberdorfer moves back and forth between the war and the home front to document the lasting importance of this military action based on his own observations as a correspondent for the washington post and interviews with hundreds of people who were caught up in the struggle tet remains an essential contribution to our understanding of the vietnam war

Vietnam Wars 1945-19

1991-09-25

the first book to give equal weight to the vietnamese and american sides of the vietnam war

The Vietnam War

2012-12-01

the vietnam war explores the long and costly civil war pitting south vietnamese and u s forces against communist guerrillas and north vietnamese troops

The Vietnam Wars

2000

the main premise the vietnam wars is that vietnam experienced not one but several over lapping and often inter dependent wars this lively new source book chronicles the history of one of the bloodiest and most controversial conflicts of the twentieth century beginning with the birth of the vietnamese communist party in 1930 and ending with the triumph of the vietnamese revolution in 1975 through a series of short essays but most especially through the documents themselves the book illustrates and illuminates both the conflict and the main historical debates about its origins course and consequences
