The Journey Back 2013-10-03

a teenage boy faces his past and seeks redemption in the gripping companion book to red kayak nine months in a juvenile detention

facility was the punishment for his crime after just a month he makes a bold escape that nearly kills him and soon an angry fourteen year old digger is on the run when injuries stop him digger hides at a riverside campground where he befriends a young boy and a girl his own age new friends a job caring for rescued horses and risking his life to save another make digger realize that the journey back is not just about getting home but he come to terms with his troubled past and face what he s really running from

Fearless 2012-01-24

like the instant classic the last american man fearless is the story of a remarkable individual who accepts no personal limits including fear freya hoffmeister a forty six year old former sky diver gymnast marksman and miss germany contestant left her twelve year old son behind to paddle alone and unsupported around australia a year long adventure that virtually every expert guaranteed would get her killed she planned not only to survive the 9 420 mile trip through huge shark infested seas but to do it faster than the only other paddler who did it as journalist and expert kayaker joe glickman details the voyage of this teutonic force of nature he captures interminable days on the water and nights camped out on deserted islands hair raising encounters with crocs and great white sharks and the daring 300 mile open ocean crossing that shaved three weeks off her trip for 332 days glickman followed freya s journey on her blog along with a far flung audience of awestruck even lovesick groupies as she took on one terrifying ordeal after the next in the end he says her vanity and pigheadedness paled next to her nearly superhuman ability to master fear and persevere

What Mr. Mattero Did 2005-08-18

three junior high school girls accuse their music teacher of inappropriate actions the story is told through the eyes of one of the accusers claire who lives in the shadow of a disabled younger brother and the teacher s daughter melody interwoven in the story are the problems the three accusers face in their own lives and the work melody does at a horse farm where she helps disabled children one of whom turns out to be claire s brother

Red Velvet 2021-09-14

six nights in the northwoods two best friends and one big secret what could possibly go wrong in her ultra competitive family april beckett is used to taking last place for years she s put up with jabs about her modest job and her pathetic love life especially after she tried to impress her older sisters with a fake boyfriend in college and failed miserably but now she has a smoking hot date for her brother s wedding guaranteed to wow them until he bails cue total desperation without april s friendship brody blackwood wouldn t have survived his last breakup so if she needs a plus one for a family wedding he s all in even if it means pretending to be her boyfriend and committing

to a week of activities at a wooded resort in wisconsin how hard could a fall getaway with your best friend be too bad there s a grueling 10k race and a cutthroat trivia night to endure not to mention a massive secret to protect but will the biggest secret of all turn out to be that this fake relationship feels more real than april or brody ever imagined

Runaway Twin 2009-10-15

thirteen year old sunny runs away from her current foster parent in search of her twin sister from whom she was separated ten years earlier on the way she ll face a tornado bullies and a stray dog and the fact that her sister may not be who sunny hoped she would be

The Absolutely True Diary of a Part-Time Indian 2016-09-15

an all new edition of the tragicomic smash hit which stormed the new york times bestseller charts now featuring an introduction from markus zusak in his first book for young adults sherman alexie tells the story of junior a budding cartoonist who leaves his school on the spokane indian reservation to attend an all white high school this heartbreaking funny and beautifully written tale featuring poignant drawings that reflect the character s art is based on the author s own experiences it chronicles contemporary adolescence as seen through the eyes of one native american boy excellent in every way neil gaiman illustrated in a contemporary cartoon style by ellen forney

Into the Wild 2018-07-12

with an introduction by novelist david vann in april 1992 chris mccandless set off alone into the alaskan wild he had given his savings to charity abandoned his car and his possessions and burnt the money in his wallet determined to live a life of independence just four months later chris was found dead an sos note was taped to his makeshift home an abandoned bus in piecing together the final travels of this extraordinary young man s life jon Krakauer writes about the heart of the wilderness its terribly beauty and its relentless harshness into the wild is a modern classic of travel writing and a riveting exploration of what drives some of us to risk more than we can afford to lose

Amazon Woman 2020-03-03

an extraordinary and inspiring chronicle of one woman s harrowing journey to become the first female to kayak the entire amazon river part memoir part feminist manifesto amazon woman shows what incredible feats we are capable of and will encourage people especially women across all backgrounds and ages to find the courage and strength to live the life they ve imagined this 148 day journey began on

darcy gaetcher's 35th birthday the emotional waters that would fester and erupt on the ensuing journey was often more challenging to navigate than the mighty river itself with blistering lips and irradiated fingernails darcy would tackle raging class five whitewater for twenty five days straight barely survived a dynamite filled canyon being prepared for a new hydroelectric plan she and her two companions would encounter illegal loggers narco traffickers murderous shining path rebels and ruthless poachers in the black market trade in endangered species in a desperate attempt meant to give her some pretense of control darcy even cut off all her hair before entering peru's notoriously dangerous red zone in hopes of passing for a boy and being seen as less of a target at once a heart pounding adventure and a celebration of pushing personal limits amazon woman speaks to all of us feeling trapped by our desk bound online society this a story of finding the courage and strength to challenge nature cultures social norms and oneself

You Have A Match 2022-07-21

parks and recreation actor and making it co host nick offerman shares his humorous fulminations on life manliness meat and much more in this new york times bestseller growing a perfect moustache grilling red meat wooing a woman who better to deliver this tutelage than the always charming always manly nick offerman best known as parks and recreation s ron swanson combining his trademark comic voice and very real expertise in woodworking he runs his own woodshop paddle your own canoe features tales from offerman s childhood in small town minooka illinois i grew up literally in the middle of a cornfield to his theater days in chicago beginnings as a carpenter actor and the hilarious and magnificent seduction of his now wife megan mullally it also offers hard bitten battle strategies in the arenas of manliness love style religion woodworking and outdoor recreation among many other savory entrees a mix of amusing anecdotes opinionated lessons and rants sprinkled with offbeat gaiety paddle your own canoe will not only tickle readers pink but may also rouse them to put down their smart phones study a few sycamore leaves and maybe even hand craft and paddle their own canoes

Blood on the Beach 2017-03-21

eight teens are dropped off on a remote west coast island for a week long treatment program called intro into nature to renew ourselves the story is told by two of them alice whose police officer mother believes alice might have a substance abuse problem and caleb who assaulted his abusive stepfather they are joined by six other miscreants and three staff a psychologist a social worker and an ex cop on the first night one of the girls disappears from her cabin there is a panicked search of the island but she is nowhere to be found the adults

seem oddly ineffectual in dealing with the crisis and then the ex cop gets sick and dies the radio has been sabotaged and there is no way to call for help when the social worker also becomes ill the kids decide to take matters into their own hands and track down the killer

Rise to Greatness 2014-11-11

masterful ambitious and groundbreaking this is a major new history of our country by one of our most respected thinkers and historians a book every canadian should own from the acclaimed biographer and historian conrad black comes the definitive history of canada a revealing groundbreaking account of the people and events that shaped a nation spanning 874 to 2014 and beginning from canada s first inhabitants and the early explorers this masterful history challenges our perception of our history and canada s role in the world from champlain to carleton baldwin and lafontaine to macdonald laurier and king canada s role in peace and war to quebec s quest for autonomy black takes on sweeping themes and vividly recounts the story of canada s development from colony to dominion to country black persuasively reveals that while many would argue that canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today

Without a Paddle 2010-06-08

as far as warren richy knew his life was on course a reporter with a beautiful wife and talented son richy couldn t imagine how it could be any better then his marriage falls apart and he can t imagine how it could be any worse the divorce leaves richy questioning everything while struggling to find a way forward to get his bearings he enters the first ultimate florida challenge an all out twelve hundred mile kayak race around florida the ufc is less of a race than it is a dare or a threat the thirty day deadline sets a grueling twenty four hour a day pace through shark alligator and even python infested waters but those twelve hundred miles are only a fraction of a journey that pulls richy back to when he was embedded with troops in iraq reporting on missing children and hiking the mountains of montana with his son and shows him where he went wrong where he went right and how to do it better the second time around warren richy s memoir without a paddle is a remarkable physical and emotional journey that cuts to the heart of what it means to be a man a husband and a father

The Swiss Family Robinson 2007-05-10

a new york times usa today and wall street journal bestseller in this iconic bestseller popular business blogger and bestselling author seth godin proves that winners are really just the best quitters godin shows that winners quit fast quit often and quit without guilt until they commit to beating the right dip every new project or job or hobby or company starts out fun then gets really hard and not much fun at all you might be in a dip a temporary setback that will get better if you keep pushing but maybe it s really a cul de sac a total dead end what really sets superstars apart is the ability to tell the two apart winners seek out the dip they realize that the bigger the barrier the bigger the reward for getting past it if you can beat the dip to be the best you ll earn profits glory and long term security whether you re an intern or a ceo this fun little book will help you figure out if you re in a dip that s worthy of your time effort and talents the old saying is wrong

winners do quit and quitters do win

The Dip 2021-04-08

the beloved multi million copy bestselling japanese classic about finding one s place in the world a new york times bestseller academy award winning anime master hayao miyazaki s favourite childhood book and the inspiration behind the studio ghibli film in how do you live copper our hero and his uncle are our guides in science in ethics in thinking and on the way they take us through a school story set in japan in 1937 to the heart of the questions we need to ask ourselves about the way we live our lives we will experience betrayal and learn about how to make tofu we will examine fear and how we cannot always live up to who we think we are and we learn about shame and how to deal with it we will learn about gravity and about cities and most of all we will learn to think about things to as the writer theodore sturgeon put it ask the next question from the foreword by neil gaiman

How Do You Live? 2015-07-14

a companion novel to priscilla cumming s highly acclaimed the red kayak and the journey back thirteen year old kate tyler must ask herself how far she will go to protect her older brother j t when he returns home after nearly a year in a juvenile detention facility only to find himself ostracized and bullied as he attempts to make a fresh start kate compromises her own values and risks getting herself into serious trouble as she launches a secret campaign to protect her brother long enough for him to find his place in the family and in the world again as a follow up to red kayak cheating for the chicken man brings j t kate and brady parks together again as they struggle with the complicated issues of fairness friendship and forgiveness

Cheating for the Chicken Man 2016-10-01

an abenaki born in st francis quebec noel annance 1792 1869 by virtue of two of his great grandparents having been early white captives attended dartmouth college in new hampshire determined to apply his privileged education he was caught between two ways of being neither of which accepted him among their numbers despite outstanding service as an officer in the war of 1812 annance was too indigenous to be allowed to succeed in the far west fur trade and too schooled in outsiders ways to be accepted by those in charge on returning home annance did not crumple but all his life dared the promise of literacy on his own behalf and on that of indigenous peoples more generally his doing so is tracked through his writings to government officials and others some of which are reproduced in this volume annance s life makes visible how the exclusionary policies towards indigenous peoples generally considered to have originated with the indian act of 1876 were being put in place upwards to half a century earlier on account of his literacy annance s story can be told

recounting a life marked equally by success and failure and by perseverance abenaki daring speaks to similar barriers that to this day impede many educated indigenous persons from realizing their life goals to dare is no less essential than it was for noel annance

Abenaki Daring 2018-11-08

over 12 million copies sold worldwide now a major motion picture a number one new york times bestseller for years rumours of the marsh girl have haunted barkley cove a quiet town on the north carolina coast so in late 1969 when handsome chase andrews is found dead the locals immediately suspect kya clark the so called marsh girl but kya is not what they say sensitive and intelligent she has survived for years alone in the marsh that she calls home finding friends in the gulls and lessons in the sand then the time comes when she yearns to be touched and loved when two young men from town become intrigued by her wild beauty kya opens herself to a new life until the unthinkable happens unforgettable as engrossing as it is moving daily mail i can't even express how much i love this book reese witherspoon it will reach a huge audience though the writer's old fashioned talents for compelling character plotting and landscape description guardian writing that takes your breath away the times

Where the Crawdads Sing 2011-09-13

montana born rex loves nothing more than to take his kayak out on a river the faster and more powerful the better when he gets the opportunity to tackle the well named el furioso in southwest colombia he is thrilled he anticipates the river's challenges but finds himself in a situation where the real danger is human in colombia he meets myriam calambás an indígena who has lived along the el furioso all her life though she loves its rushing waters she dreams of leaving to get an education so that she can help her people her dreams and her very survival are in the balance when she and rex are caught up in the clash between paramilitaries working for rich landowners and guerillas who are supposed to be protecting the poor pam withers skill at writing about extreme adventures combines with a compelling story about an endangered world and a people struggling for their very right to exist

First Descent 2019-03-21

no idea what you're doing no problem good managers are made not born top tech executive julie zhuo remembers the moment when she was asked to lead a team she felt like she'd won the golden ticket until reality came crashing in she was just 25 and had barely any experience being managed let alone managing others her co-workers became her employees overnight and she faced a series of anxiety inducing firsts including agonising over whether to hire an interviewee seeking the respect of reports who were cleverer than her and having to fire someone she liked like most first time managers she wasn't given any formal training and had no resources to turn to for

help it took her years to find her way but now she s offering you the short cut to success this is the book she wishes she had on day one here she offers practical accessible advice like don t hide thorny problems from your own manager you re better off seeking help quickly and honestly before you fire someone for failure to collaborate figure out if the problem is temperamental or just a lack of training or coaching don t offer critical feedback in a compliment sandwich there s a better way whether you re new to the job a veteran leader or looking to be promoted this is the handbook you need to be the kind of manager you ve always wanted

The Making of a Manager 2017-08-08

a major new book overturning our assumptions about how evolution works earth s natural history is full of fascinating instances of convergence phenomena like eyes and wings and tree climbing lizards that have evolved independently multiple times but evolutionary biologists also point out many examples of contingency cases where the tiniest change a random mutation or an ancient butterfly sneeze caused evolution to take a completely different course what role does each force really play in the constantly changing natural world are the plants and animals that exist today and we humans ourselves inevitabilities or evolutionary flukes and what does that say about life on other planets jonathan losos reveals what the latest breakthroughs in evolutionary biology can tell us about one of the greatest ongoing debates in science he takes us around the globe to meet the researchers who are solving the deepest mysteries of life on earth through their work in experimental evolutionary science losos himself is one of the leaders in this exciting new field and he illustrates how experiments with guppies fruit flies bacteria foxes and field mice along with his own work with anole lizards on caribbean islands are rewinding the tape of life to reveal just how rapid and predictable evolution can be improbable destinies will change the way we think and talk about evolution losos s insights into natural selection and evolutionary change have far reaching applications for protecting ecosystems securing our food supply and fighting off harmful viruses and bacteria this compelling narrative offers a new understanding of ourselves and our role in the natural world and the cosmos

Improbable Destinies 2007-08-16

want to tap the power behind search rankings product recommendations social bookmarking and online matchmaking this fascinating book demonstrates how you can build 2 0 applications to mine the enormous amount of data created by people on the internet with the sophisticated algorithms in this book you can write smart programs to access interesting datasets from other web sites collect data from users of your own applications and analyze and understand the data once you ve found it programming collective intelligence takes you into the world of machine learning and statistics and explains how to draw conclusions about user experience marketing personal tastes and human behavior in general all from information that you and others collect every day each algorithm is described clearly and concisely with code that can immediately be used on your web site blog wiki or specialized application this book explains collaborative filtering

techniques that enable online retailers to recommend products or media methods of clustering to detect groups of similar items in a large dataset search engine features crawlers indexers query engines and the pagerank algorithm optimization algorithms that search millions of possible solutions to a problem and choose the best one bayesian filtering used in spam filters for classifying documents based on word types and other features using decision trees not only to make predictions but to model the way decisions are made predicting numerical values rather than classifications to build price models support vector machines to match people in online dating sites non negative matrix factorization to find the independent features in a dataset evolving intelligence for problem solving how a computer develops its skill by improving its own code the more it plays a game each chapter includes exercises for extending the algorithms to make them more powerful go beyond simple database backed applications and put the wealth of internet data to work for you bravo i cannot think of a better way for a developer to first learn these algorithms and methods nor can i think of a better way for me an old ai dog to reinvigorate my knowledge of the details dan russell google toby s book does a great job of breaking down the complex subject matter of machine learning algorithms into practical easy to understand examples that can be directly applied to analysis of social interaction across the today if i had this book two years ago it would have saved precious time going down some fruitless paths tim wolters cto collective intellect

Programming Collective Intelligence 2015-01-01

a one woman kayaking odyssey when she sets off to voyage around nz it tests her limits and what solo means her journey doesnt always go to plan yes she discovered that one person can achieve monumental things by herself but she learnt something else too the power of connection to others ultimately her story is about discovering the good and the bad of being solo in life as well as on the water an extraordinary woman an incredible story but beware going on this journey with red might just change your life

Kayaks of Alaska 2019

what does china want from australia in this incisive and original book peter hartcher reveals how decades of economic dependence left australia open to the strategic ambitions of the most successful authoritarian regime in modern history he shows how ideology paranoia and xi jinping s personal story have reshaped china and shines new light on beijing s overt and covert campaign for influence over trade and defence media and politics australia has now woken up to china s challenge from passing foreign interference laws to banning huawei from our 5g network but at what cost will we see a further slump in relations how best to protect our security economy and identity drawing on interviews with scott morrison malcolm turnbull and other key policymakers as well as a rare interview with australia s spy chief red zone is a gripping look at china s power and australia s future australia is on the front lines of the global struggle between china and the west over democratic values and peter hartcher one of the country s foremost journalists presents a clear eyed and utterly

frightening account of the challenge we face highly recommended francis fukuyama hartcher s analysis of australia s place in the world is sharp and tenacious he continues to make an outsized contribution to our democracy penny wong hartcher s clear eyed analysis of the australia china relationship is as keen as it is unsettling malcolm turnbull
