whenever i wrote the first quarantine quiz book i jokingly added a christmas round thinking it would be a surreal little addition for those taking part in spring yeah that kind of back fired didn t it here i am in october and the chocolate santas are appearing on the shelves of tesco just as a second wave of coronavirus is on the horizon maybe that christmas round from book 1 will get an airing in december after all i was blown away with the response to the first quarantine quiz book thank you for the kind feedback i was emailed and the positive reviews on amazon it was a ray of sunshine at an otherwise bleak time people never fail to surprise you with kindness so here s the sequel the obvious and grimly titled second wave fourteen more days of quizzes for those stuck indoors isolating join your friends and family on zoom and facetime and pit your wits against each other all in

the name of defeating boredom thank you sincerely for supporting this book you are literally helping to put food on my table if you enjoy the quiz please leave me a review on amazon to help others find this book maybe there will be another quarantine quiz book in future spanish flu had 4 waves after all but let's all hope this is the last one
