## **Reverberations 2022-12-21**

mysterious happenings are mounting up for josh sean and their estranged alumni josh sandison morley was born a sceptic why else would he insist there s no such thing as ghosts when he s eliminated every plausible explanation for the noises in his former therapy rooms sean tierney s having some performance issues his gp says there s no physical reason his blood pressure is under control and he s stayed off the booze ergo it s all in his head in the circumstances being a palliative clinical psychologist isn t proving self helpful despite two decades of friendship and their grand plans to open a private psychotherapy centre neither man confides in the other that is until news reaches them both via different avenues that their experiences are but part of a bizarre cluster of unexplained phenomena for which there is only one common denominator whether real or the product of overwrought imaginations josh sean and their alumni must lay to rest the spectre of a once beloved friend or admit defeat and crawl back under the safe weighty stones of the jobs and relationships they ve left behind

## **Hiding Behind The Couch 2012-07-07**

the circle nine friends from high school nine friends for life they had been in their final years of school when it happened there was a party shaunna didn t know who he was she could only vaguely remember where she d been and what she d been up to and tried to let the memory slip away with the hangover four weeks later she was certain that night was going to be with her forever josh sandison has spent his lifetime trying to keep his friends together never forgiving himself for being the one to push george away now in their thirties they reunite in a bid to help shaunna s daughter establish her father s identity but there are secrets and lies that have been lived too long with the power to destroy friendships for good season one in the hiding behind the couch series there are two prequels beginnings and ruminations which can be read at any point during the series the story continues in no time like the present season two

## ***Hiding Out 2015-03-18***

if any adult was going to get the chicken pox it would be sean tierney that alone would be bad enough but his illness means friend and colleague josh sandison morley has to step in and face his fears guest speaking at a university in norwich as josh gathers his husband and his foster daughter for the trip he is unaware that their world is about to collide with that of another makeshift family noah and matty s matty is agonising over his impending dance show sure talent scouts will be in the audience but there s an even bigger problem noah matty s on again off again boyfriend has promised to be there too and matty s dance it has a secret meaning he s not sure he s ready to reveal to noah can josh and matty face their fears and perform for their respective crowds more importantly will the sandison morleys influence be enough to get the young men to express their feelings to each other before it s too late this novella continues the stories of josh and george from the hiding behind the couch series and matty and noah from the checking him out series

## **In the Stars Part I (Capricorn-Gemini) 2014-01-01**

in the stars part i is book four in the hiding behind the couch series some things are just meant to be or sometimes it seems that way like old uni pals inexplicably moving to your hometown or realising that your childhood best friend is the love of your life or landing a star role in a hit tv series that could well be your autobiography fate karma written in the stars or just bizarre quirks of coincidence for better or worse the events of the next six months will push the friends to the limits for the circle can expand and contract but it is always whole eternal set over the first six months of a year of the circle in the stars part i explores the day to day lives of nine friends from high school who are now in their late thirties following them through celebration loss illness and life changing decisions what readers say about the hiding behind the couch series the remarkable characterisation in these novels is what makes them for me this story reminds me of my favorite movies about friendship and relationships few authors have explored the depths of longtime friends within a group or circle the way debbie mcgowan has i have a love hate relationship with debbie mcgowan s hiding behind the couch series i love to read them i hate it when they re over

## **Red Hot Christmas 2014-12-14**

shaunna has a complicated christmas ahead of her for more than twenty years she and kris were a couple together they bought a house and turned it into a wonderful family home in which to raise shaunna s daughter krissi now krissi is all grown up and shaunna and kris are separated kris has ade his boyfriend of more than a year who adores him and andy krissi s dad is in love with shaunna she knows what she wants for christmas she s had a long time to think about it but is the ribbon binding these fabulous relationships strong enough to protect them or will turning on the lights reveal the true fragility of these precious ornaments either way shaunna knows she s set for a christmas that might just be too hot to handle red hot christmas is a novella length character special part of hiding behind the couch series this story follows chronologically from in the stars part ii season five and runs parallel to a midnight clear novella the story continues in two by two season six warning this story contains intimate moderately explicit scenes between consenting opposite sex f m adults

## **Breakfast at Cordelia's Aquarium 2015-04-05**

this is a very short fun interlude in the hiding behind the couch series unlike the rest of the series which is written in third person semi omniscient past tense this short story is written in first person present tense it has no real bearing on anything else that happens in the series it is what it is an easter egg it is entirely self indulgent for which i make no apologies deb note this story should be read after reunions season seven

***Storytelling with Children in Crisis 2004-01-15***

this book looks at the benefits to children of listening to fairy tales a selection of which are provided and creating their own i found storytelling with children in crisis thought provoking and i am glad i was able to put into practice some of its ideas counselling children and young people journal describing home based therapeutic work in real life chaotic families this book has relevance to anyone working with children and families what is most helpful is the author s readiness to discuss her own doubts and vulnerabilities community care molly salans has been a storyteller for many years visiting children in deprived areas who have depression adhd and behavioral problems caused by poverty absent fathers depressed mothers run down schools and violence describing her therapy sessions as they happened molly salans puts the children in the context of their lives and recounts her sessions the folk and fairy stories she told and the ones they developed themselves in doing so she shows how storytelling and listening thinking about characters in the stories and talking about alternative endings inspires the imagination compassion and way of thinking needed to cope with such emotionally difficult lives this remarkable book includes over fifteen original children s drawings and reveals the methodology molly uses to help heal these children and their families making it essential for all those involved in therapy and in storytelling
